The **Santa Claus Parade:** TRAVELLING THROUGH TIME

Let it be known, the Deux-Montagnes Santa Claus Parade is the biggest community parade in the province of Quebec, and even throughout Canada... We can take pride in our parade!

This year, for its 39th Edition, those taking part in this fantastic event will be working around the "Travelling Through Time" theme. Clowns, balloons, brass bands as well as numerous surprises will illuminate this holiday parade, not to mention the star of the show: Santa Claus!

Come and gather along the streets of Deux-Montagnes, on **Sunday, December 7, 2008**. The parade is scheduled to begin at **1 pm**, at the corner of 20th Avenue and Oka Road.

Bring a toy and make a donation! A **collection of used toys** is organized by the Optimist Club. One of the floats in the parade will be used to that effect. The toys will then be distributed to low-income families, along with Christmas basket deliveries.

DON'T FORGET during the Holiday Season...

- **Municipal Offices will be closed** from December 24, 2008, to January 4, 2009, inclusively. Back on January 5.
- **Garbage collection in Sector No. 3** will take place on Wednesdays, December 24 and 31, rather than Thursdays as usual.
